A Message From Patti

Dear friends,

Earlier this month I celebrated my 30th anniversary here at CWTC and next month, I will be celebrating my 60th birthday. As I hit these milestones I am reflecting on the past, but just as importantly looking forward and doing futures planning.

As I reflect on my goals, I wonder if others are looking at planning for the future. Did you know that CWTC has a Foundation? The goal of the Foundation is to provide a stable future for CWTC and our consumers. Donating to the Foundation is a great way for you to build a legacy, while making sure that the future needs of our consumers are met. You can achieve this by designating CWTC in your will or as a beneficiary for insurance policies or several other estate planning options.

If you would like to speak to someone at CWTC about building a legacy, please feel free to contact us.

We appreciate the continued support of family, friends, and our community to make sure that CWTC is providing quality programs and services to adults with disabilities in the central Illinois area.

Thank you for all you do!!
