Consumer Spotlight

Randi is a busy girl! For more than 13 years she has been getting up and going to work when most of her friends haven't even gotten out of bed. Randi has 2 jobs, one working at CWTC in the machine area and one in the shipping and receiving area at Bergner's. She recently won the "Employee of the Month" award at CWTC. When not working, she stays busy bowling with her friends, attending and singing with her church's "Special Touch" choir, and bible study group.

PATHWAY AWARDS DINNER

September 12, 2017!

A Message From Patti

Dear friends,

As you can see we have a very busy month coming up in September. The most important thing that we are doing, is preparing to recognize our consumers for their achievements and thanking our community partners for their support at our annual dinner event. Our theme this year represents working together as a team to assist our individuals in becoming as independent as possible.

I would like to personally thank all our staff, board members, volunteers, family members and community partners for supporting the mission of CWTC and promoting inclusion, independence, self-sufficiency, and self-esteem for our consumers. We all have one goal and that is to encourage the adults with disabilities at CWTC to live a rewarding, happy life.

"Alone we can do so little, together we can do so much." - Helen Keller

So here's to home runs, sacrifice flies, hitting for the fences, counting on our team mates, and working together to achieve our goals!

To help make this a successful event, we would love to have all our friends, families, and community members join us in making this a "World Series Event!"
