A Message From Patti

Dear friends,

As we come to the end of another calendar year, it is only natural to reflect upon the past year and to start planning for the new year. What did we do well? What do we need to change? How can we improve? These are all questions we ask ourselves.

At CWTC this year, we provided great services to adults with disabilities, assisting them in maximizing their potential. One of the things we need to do better is involving our community in helping our individuals on their quest for independence.

As you review the past year and plan for the coming year, perhaps you could reflect on how you can be a part of the CWTC family and help with our mission. Whether it is donating to CWTC, referring someone for a tour, helping with a fundraising event or sharing a skill, these are all important to the success of our organization. Please consider being an active part of CWTC.

Warmest wishes for a holiday season filled with peace and joy!

Happy holidays,

Patti Gratton
Executive Director
