A Message From Patti

Dear friends,

CWTC has been a part of the Central Illinois community for 56 years and we plan to be around for many, many years to come.

Did you know CWTC has a Foundation? The Foundation was established to ensure that programs and services would be available to our individuals with disabilities far into the future.

Have you considered what your legacy might be and how that legacy could support adults with disabilities into the future? Including CWTC in your estate planning, a major gift contribution or monthly donations into the Foundation are all ways to support the individuals served by CWTC.

We appreciate all the support that we receive from our great community. Thank you for all you do for individuals with disabilities. Each day they continue to learn new skills, thrive in their living settings and are maximizing their potential. They are so proud of their accomplishments and we are so proud of them!

Best Regards,

Patti Gratton
Executive Director
