Consumer Spotlight

Randy has been at CWTC for 32 years, working a variety of jobs including mailings, assembling binders and packaging parts for Cat. He has lived at Hunter House for 25 years and enjoys his own room decorated in Chicago Bear style (blue and orange walls). He looks forward to getting a haircut, complete with a shave & hot towel wrap. His favorite place to eat during warm weather is Lou's Drive-in where he orders a different basket at each visit. During the winter it could be anywhere from Schooners and Pizza Ranch to any Mexican restaurant! He loves to eat!

A Message From Patti

Dear friends,

As we head into summer, sometimes our lives get busier with vacations, extra activities etc. One thing I recommend doing is making a bucket list for the summer. We all think we are going to take advantage of the sunshine, longer days and good weather, yet we sometimes let life get in the way. We make lists of things we want to accomplish at work; why not include that practice in our personal life.

So here is my challenge to you for the summer. Make a list of fun things that you want to accomplish with your friends and family. Put work aside for a while and relax and rejuvenate. Have fun!

Enjoy friends, family, ball games, sunshine, and all that summer has to offer!

Garden Time!

CWTC continues to "grow" our garden program. Our program provides CWTC consumers the opportunity to become involved at a variety of levels, but we could use some help! Garden or farming experience is not required! Volunteers are greatly appreciated. Get all the [details here!](#)
