Consumer Spotlight

Steve has been working at CWTC and living at the Crabel Court CLF in Chillicothe for the past 6 years. In his free time, Steve enjoys playing video games, going to the movies and out to eat. He enjoys watching sports and his favorite teams are the Chicago Bears and Cubs!! He was barely able to contain his enthusiasm when the Cubs won the World Series! Steve enjoys cooking meals for himself and has become quite the chef. Steve always has a smile on his face and is happy with his life.

A Message From Patti

Dear friends,

As we approach the busy and hectic time of year, let us all just step back and take a minute to focus on what is really important in life.

In my day to day hectic work schedule, I sometimes forget to step back and focus on the purpose of my hectic days. The purpose of why we are all at CWTC is to help build the foundation of skills for our individuals with disabilities so they may live as independently as possible. I am so proud every day to be able to share the stories of success of our individuals, but this doesn't just happen. It takes a team to assist our individuals in maximizing their potential. So I would like to take this opportunity to thank the staff, family members, business partnerships and the community for supporting the adults with disabilities at CWTC. Most of all though, I would like to thank the consumers of CWTC for allowing us to be a part of their lives on a daily basis.

Take time this holiday season to relax, refresh, reflect, and be thankful.

My best,

Patti Gratton
Executive Director
